EDITORIAL INDEX

January - December 1991
Volumes 191 and 192
Number 4070 - 4079

MONTH	PAGES
January/February	1-64
March	65-92
April	93-140
May	141-184
June	184-216
July/August	217-264
September	265-296
October	297-348
November	349-384
December	385-416

Ships Key	
Blk C.....	bulk carrier
C.....	general cargo ship
Cont.....	container ship
LNG.....	liquefied natural gas carrier
LPG.....	liquefied petroleum gas carrier
LASH.....	lighter abroad ship
OBO.....	ore/bulk/oil carrier
OC.....	ore carrier
O/OC.....	ore/oil carrier
Pass.....	passenger ship
Ref.....	refrigerated cargo ship
Tkr.....	tanker
VLCC.....	very large crude tanker
(other specialist types normally stated in full)	
D.....	diesel
DE.....	diesel-electric
GT.....	gas turbine
T.....	turbine

FEATURES

Scandinavian area review	Jan/Feb	5-37	Diesel engine feature	July/Aug	220-230
German area review	Jan/Feb	38-59	Engine related developments	July/Aug	232-239

156 Norwegians build interesting ships - 'Polar Circle' and 'Furevik'.
160 Nor-Shipping '91 set to return to former glories.

Computing feature

- 165 Computing and the marine industry.
New orders for Taskmaster.
166 Help for the refrigerated fruit trade.
P&O European Ferries choose Wang equipment.
A boon for container shippers from Kockumation.
169 New CAD/CAM training and development centre in Germany.
Upgrade for Shell Seatex ship performance monitor.
170 Computer selection and the marine industry by Maurice Hamlin, Maurice Hamlin Associates.

Navigational aids

- 188 Navaid developments from Krupp Atlas Elektronik.
Navigational aids from Plath.
190 GMDSS shore based maintenance option.
191 Quibit chart table used to program radar displays.
Navigational data integrator.
Transtema and Kockumation equipment.

Finland area review

- 192 The Finnish yards.
195 Finnish Shipbuilding Suppliers Association formed.
A lighter prefabricated cabin unit.
196 Passenger ship safety.
198 New ships' antenna.
SBA expand into Japan.
199 Rauma Yards fighting hard - an interview with Jarmo Laakso, Sales Director, Rauma Yards.
200 Steel for marine structures from Rautaruukki Oy by Olli Vahakainu.

Consultancy

- 204 Good times ahead for consultants?
206 Four Danish consultancies join forces.
207 Burness, Corlett active.
Ship design using consultants to achieve competitiveness by Skipsconsulent, Norway.

Diesel engine feature

- 220 A new engine and a "Technology Demonstrator" from Sulzer.
223 Wartsila Diesel confident of maintaining success - an interview with Tage Blomberg, Vice President, Marine Business, Wartsila Diesel Oy.
228 MAN B&W invest in the future.
Deutz MWM engines specified for German frigates.

- KHD establish independent service company.
230 MTU active in small craft market.

Engine related developments and automation

- 232 Analysis of residual fuels, new instrument from Norske Teletron.
235 Environmental concerns.
237 Nyland's aid for diesel users.
238 Renk offer Data Box system.
Data transmission and monitoring systems.
Lube oil sampling - the circumstances of evidence by E. Thorne, Director, Mar-Tec Marine.

Cruise ship services.

- 244 Water provision.
246 Climatic requirements.
248 Floor covering protection.
250 Waterman introduce a new cruise tender/lifeboat.
252 Freefall and rescue boats from Fassmer.
253 Lifesaving craft for cruise and passenger vessels by Harding.

Fire

- 267 Equipment and services to fight and prevent fire.
268 Aran Fire's Solo helmet.
Fire resistant coupling from Lucas.
270 Oil mist detection.
High temperature insulation.
Fire resistant glass.
The "new" Halon replacement for fire extinguishing by D.P. Hamilton, Preussag Fire Protection Ltd.

Anchors, chains and cables

- 272 Noble Denton and offshore mooring studies.
Seminars on offshore mooring from Ramnas AB.
274 French navy use Marit chain.
Ropes from Drahtseilwerk, Bremen.

Bridge aids developments

- 293 New radar from Krupp Atlas Elektronik.
Nucleus, a new radar from Kelvin Hughes.
294 Kvaerner cater for high speed craft.
295 Racal's MIRANS system.

Reefers feature

- 300 The Crystal ships from Boelwerf.
310 'Chiquita Deutschland', first of six reefers from Danyard.
317 Seacold 320/324 reefer container.
New Boliddt deck system.
Deck cranes for reefers.
MacGregor-Navire supply to Chiquita ships.
318 Chiquita orders for Germany.
Dobson services for reefers.
320 Sabroe offer management system.

Ice-going ships

- 322 'James Clark Ross', Antarctic survey vessel built by Swan Hunter.
328 Finland has high level of ice research capability.

Europeport preview

- 329 Celebration of a 25th anniversary.
330 A look at some of the exhibits.

Ferries

- 359 "Tycho Brahe", world's largest double-ended train ferry.
365 Italians active in fast ferry market.
SBA Interior, ferry furnishings supplier.
